## **POLAR STAR MINING CORPORATION ANNOUNCES BOARD CHANGES**

**TORONTO, ON, February 19, 2010** – Polar Star Mining Corporation (TSXV:PSR) (“Polar Star” or the “Company”) announced today that David M. Petroff (Chairman) and Wes Roberts have resigned as Directors of the Company.

Mr. Petroff and Mr. Roberts have both resigned due to increased time commitments at their current positions. Mr. Petroff recently accepted the position of President and CEO of Breakwater Resources Ltd. where he was previously a director. Mr. Roberts is a Vice President at Heenan Blaikie LLP’s mining group where he specializes in the economic evaluation and development of mineral deposits.

The Company would like to thank Mr. Petroff and Mr. Roberts for their efforts and contribution to Polar Star and wishes them well in their future endeavors.

To replace Mr. Petroff, the Board has elected Mr. David A. Seton as its new Chairman. Mr. Seton has been a director of Polar Star since April 17, 2009 and is currently the Chairman and CEO of Olympus Pacific Minerals Inc.

### **Forward-Looking Statements**

This press release may contain forward-looking statements based on assumptions, uncertainties and management’s best estimates of future events. Actual events or results could differ materially from the Company’s expectations and projections. Investors are cautioned that forward-looking statements involve risks and uncertainties. Accordingly, readers should not place undue reliance on forward-looking statements. When used herein, words such as “anticipate”, “will”, “intend” and similar expressions are intended to identify forward-looking statements. For a more detailed discussion of such risks and other factors that could cause actual results to differ materially from those expressed or implied by such forward-looking statements, refer to Polar Star Mining Corporation’s filings with Canadian securities regulators available on [www.sedar.com](http://www.sedar.com) or the Company’s website at [www.polarstarmining.com](http://www.polarstarmining.com).
